Neri&Hu designs a wall mirror with tray and hooks affixed to a Canaletto walnut frame in the Ren collection for Poltrona Frau, ideal for keeping coats and checking on makeup before heading out the door

Modular multipurpose bookcase Link System is **Zalf Solutions'** answer to contemporary displays with partitioned trays and melamine panels for easy reconfigurations

Eschew paint in favour of funky **N.O.W. Edizioni** wallpaper. The "4 hands, overwriting" 18-piece collection comprises fresh and lively graphics for a jazzy first impression.

Exquisite proportions guarantee the Moon collection a place in any refined bathroom as **Scarabeo** coaxes the slim edges — just a few millimetres thick — of the washbasins to expand into wide wells
